GLOBAL RESCUE MEMBERSHIP INCLUDES

Travel assistance

Whether it's a language barrier during an emergency or a lost passport, Global Rescue travel assistance can help with unexpected issues.

Medical and security advisory services

Our operations centers are staffed by experienced nurses, paramedics and military special operations veterans.

Field Rescue

We will send help if you are unable to get to a hospital and in urgent need of care. With no distance requirement, field rescue services are available whether you're close to home or on the other side of the world. This includes global COVID transport.

Hospital transport

If you do have to be hospitalized and you're far from home, we have the proven capability to transport our members back to their home hospital of choice.

In-house expertise

Speak to an in-house Global Rescue expert on the first call. Personalized communications, recommendations and responses continue until your emergency is resolved.

Destination reports and alerts

Destination reports for 215 countries and principalities worldwide include entry requirements and required immunizations. Keep up to date on health and security events worldwide with real-time alerts and recommendations.
